## ABOUT ME

I am a recent graduate with a strong foundation in programming and a keen interest in technology and software development. With hands-on experience in various programming languages and tools gained through academic projects and self-study, I am eager to apply my skills in a professional environment. I am a quick learner, a problem-solver, and passionate about building efficient and innovative tech solutions. I am currently seeking an opportunity to grow as a developer and contribute to a dynamic team.

## WORK EXPERIENCE
